**Curiosity
CAMP**
Wonder starts here

Where little minds dream big!

Always ensure your child is carefully supervised during physical activities

Imagination takes flight as little ones create stories, dress up, and become the heroes of their own magical adventures.

Build language, imagination, and creativity through storytelling and role-play

Tick the star when you've completed the activity.

Set up a Teddy Bear's Picnic

- Let children act out a story with soft toys and simple props.

Create Story Stones

- Paint or draw simple pictures on stones or cards, then make up stories together.

Dress-Up Box

- Be pirates, animals, or superheroes.
- Encourage descriptive language.

Share a Favourite Story

- Pause to ask "What do you think happens next?" or "How do you think they feel?"
- Can your child point out and talk about what is happening in the pictures?

Put on a Puppet Show

- Use toys, socks, or homemade puppets to bring stories to life.

Did you know?

Reading for pleasure is the single biggest indicator for success in life; that's why our Bee Curious curriculum focuses on developing a love of books and storytelling.
